# Bickley Harvest Festival

Bickley Harvest Festival is a celebration of the produce of the region encompassing the community of boutique cellar doors restaurants and cafes in the stunning Bickley region - Celebrating its 24th year in 2023.

The Bickley Valley located in the heart of the Perth Hills Wine Region enjoys the backdrop of the Darling Ranges; creating a stunning destination only a 35 minute drive from the Perth CBD.

Considered a Hidden treasure by those who visit, the Bickley Valley surprises with the abundance of artisans specialising in fine wine, cider, gourmet produce and fine art.

Providing a premium destination experience, many of the visitors become repeat customers, demonstrating that the Bickley Harvest Festival is a vital tool in promoting tourism within the Perth Hills.

With a growing appetite amongst the Wine and Food enthusiasts of Perth, this is a wonderful opportunity to engage, and become a part of an established, highly anticipated event in the Perth Hills

An evolving approach in the promotion of the festival inclusive of the participating businesses and the sponsors, ensures that there is a capacity to reach an engaged audience of 20,000+ across multiple media platforms, including, but not limited to social media, newspaper, radio and TV.
